

Summer 2006

TO: ALL Career & Technical Ed Instructors, & ALL Counselors

**RE: VIDEO CONSORTIUM MEMBERSHIP ENROLLMENT
For 2006-2007 School Year**

Science has proven visual aids enhance learning! VIDEO CONSORTIUM MEMBERSHIP is now open for the SD Department of Ed's Video Consortium Program beginning on July 1, 2006. Don't wait - school is fast approaching!

We've been busy cataloging new items! Topics range from credit card debt, budgeting, and banking (for the new personal finance standards); to Frank Lloyd Wright, and the famous "Super Size Me", even 21st Century Art, graphics design, and numerous videos or DVDs on our nation's national parks or wildlife. A six page listing of new items is available. View the whole Video Catalog: <http://doe.sd.gov/octe/terc/videoconsort.asp> New, hard copy Video Catalogs will not be mailed this year, website viewing only.

Also there's a **Membership Enrollment Form on the web which will serve as your invoice.** Membership fees are \$65 per instructor, \$130 for two instructors, etc. OR a maximum of \$300 per school for ALL your instructors. Members will be held responsible for any lost or damaged materials – no excuses this year!

Videos can then be checked out to members for a 14 day loan period. They get mailed immediately upon receipt of the request or as soon as humanly possible! We pay out-bound shipping, and you simply pay return shipping. Just a reminder that video order requests should use the Video Order Request Form (also on the web) and be placed via these two, easy methods:

FAX: 605-773-4950 or E-Mail: Faith.Ellis@state.sd.us

Even snail-mail works, send to Faith Ellis, CTE, 800 Governors Dr, Pierre, SD 57501 Save your district hundreds of dollars by not purchasing your own videos directly – use our service instead! Thank you for your support, we look forward to working with you and helping the youth of our great state! For further details, call Faith at 773-7030.
